Alhaji Isiaka Gboyega Oyetola
Hon. Minister of Marine & Blue Economy
IleriOluwa's Residence, Iragbiji
Boripe Local Government, Osun State

Dear Sir:

SEVENTIETH BIRTHDAY FELICITATIONS

I write respectfully on behalf of my family and associates in Ejigbo Local Government, Osun State, to wish you a happy seventieth birthday. Indeed, achieving the significant milestone of the Platinum Jubilee is a huge favour from the Almighty Allah.

May the Almighty Allah continue to bless, protect, guide, and grant you all your heart's desires. May He also give you sound health, strength and wisdom to excel in your current role as the Minister of Marine and Blue Economy and as the leader of our great Party, the All Progressives Congress in Osun State. Amin.

During your stint as the Governor of our dear State, some of us complained that you were not jovial and were running the State like a Fortune 500 company. However, with our experience over the past twenty-two months, we are now well-informed that good governance goes beyond conviviality, pepper souping, and dancing!

Please accept, sir, the expression of my highest respect and regards.

Yours faithfully,
Thank you.

Yours faithfully,
